

2023 Investor Toolkit

Venture Madness

Venture Madness is a 501c6 non-profit dedicated to educating and mentoring the Southwest's early-stage firms and connecting them with serious investors from around the region to help fuel their growth. Since 1992, Venture Madness brings together investors with the region's most promising ventures who have raised more than \$300 million (and growing) in funding.

Our Programs and Events

Venture Madness, in partnership with the Arizona Commerce Authority, offers a variety of year-round programs and events to bring many leading sources of investment capital to the region's most promising startup and emerging growth companies.

Our signature annual event, the Venture Madness Conference, attracts the most prominent venture capitalists, angel investors, institutional investors, leading firms, CEOs, entrepreneurs and service professionals from the region. It is the premier capital conference in Arizona that pairs the most promising startup and emerging growth companies in a competitive, pitch format. For more information, visit www.venturemadness.com.

Venture Madness Partner Opportunities

Venture Madness connects our partners with the region's most promising ventures, maximizing your visibility within the investor and entrepreneurial ecosystem throughout the year. A Venture Madness partnership helps fuel brand awareness, drive marketing and PR exposure, build goodwill, and facilitate meaningful networking with key stakeholders in the entrepreneurial ecosystem.

[Commitments](#) are due by Thursday, December 1, 2022.
